THE CASTELLAN 1961

In presenting this yearbook, the staff hopes that in the years to come, when college days are but a cherished memory, you can turn its pages and bring back memories of registration, the many grueling hours of study, the stranger who became a friend, the voice of a professor, the many hours sacrificed apart from loved ones, and last, but not least, the guiding hand of our dean, Miss Simms. Yes, memories—not forgotten—just misplaced.

PRESIDENT'S MESSAGE

To the Graduates of 1960, the faculty and students of St. Mary's extend their sincere wishes for continued success and happiness. We are grateful for your conscientious acceptance of responsible leadership here, and look forward to a manifestation of the results of this leadership in your lives in whatever community you may find yourselves.

MAY RUSSELL

For over twelve years you have been a part of St. Mary's. We have seen you give of yourself unselfishly to the college, a quality which is invaluable. Your friendliness, the pat on our backs when we were discouraged, and your sincere interest in us have warmed our hearts and made us thankful for someone like you. Because of these qualities and your genuine love for people and life in general, we dedicate our yearbook to you, Miss Chance, our nurse and advisor.

Outstanding

Susan Claggett

Susan Claggett has helped many a student with her kindness and personality. As president of S.G.A. and through various awards received during her four years at S.M.S., she has shown her leadership ability. Although a good student, being a member of Phi Theta Kappa, she is by no means a "bookworm." Susan had participated on the Hockey Varsity All-Star Team and Volleyball All-Star Team —thus showing her athletic ability. With a finger in every pie, Susan seems to be able to keep her temper when everything goes wrong. She's a friend to both the student body and the faculty.

Sandy Osteen

Sandy Osteen has been spreading cheer through the halls of St. Mary's for four years. During those four years she has had an active part in the life at St. Mary's. She was a member of Honor Court for two years and in her last year she handled the job of Chairman of Honor Court with patience and understanding. Sandy has always shown an interest in athletics and has served on the A. A. Board as both volleyball and tumbling managers. She has also participated in the athletic programs by playing in intramurals. She has been on the hockey varsity for two years and the volleyball all-stars for two years. She helped to boost the college spirit the two years she was on the cheerleading squad. For the four years she has been here Sandy has been a member of the choir. She has also been a member of *Samadra*, the Home Economics Club, the Hockey Club, and the *Point News*.

Sandy hasn't limited her interest to study and clubs, she has worked in the library and the girl's store for all four years. Now you can see why her class has elected Sandy to be "most versatile."

Sophomores

In June of 1959 Federalsburg High School lost one of the most outstanding students ever to graduate from its halls; in June of 1961 St. Mary's Seminary Junior College will graduate an outstanding student and individual. The two students and individual referred to are one and the same—Bernese Culhane.

Bernese has far surpassed her commendable high school record. In her freshman year at college she was elected archery manager on the A. A. Board. Her excellent ability as an activity manager, her willingness to help, and her infectious enthusiasm has enabled her to so outstanding a job as President of the Athletic Association. "Bernie" has been a member of all intermural teams, including hockey, volleyball, and basketball and is Captain of the all star Basketball team.

For those who could not attend the sports activities, Bernese as sports Editor of the *Point News*, filled them in.

This year's freshmen were extremely lucky in having Bernese on the Orientation Committee. Her warm, sparkling personality lessened their difficulties and anxieties.

As an Athlete, Student, Individuol, and friend, Bernese has won a spot in the heart of each person at St. Mary's.

Bernese Culhane

St. Mary's has greatly benefited from the interest and contributions of Rose Marie Peacher, better known as "Peach." Aside from her office of vice-president of the Student Government Association, her membership on athletic teams and clubs, her parts in school productions for membership in Phi Theta Kappa, and her interest in and willingness to help each individual and organization, Peach is known for her artistic ability. Last year this talented student was the recipient of the "Best Oil Painting" award. Her personality, talent, and initiative have Peach a great success at St. Mary's, one of whom only the best are deserving of her presence.

Rose Marie Peacher

Dianna Dunham

For three years now Dianna Dunham's ever-ready smile has graced our campus. Personality and charm combined with service and leadership are exemplified by her whenever there is something happening. She is always around with a helping hand whether it be an athletic team or decorations for a dance. She will long be remembered for her willingness to work as demonstrated in such activities as the choir, the hockey team, and Artist and Lecture Committee. No matter what Dianna is doing she enjoys doing it and working with other people. As a final honor and privilege she was chosen to represent St. Mary's Seminary Jr. College in the annual Apple Blossom Festival.

Judy Peper

Judy Peper is truly the "contributed the most for St. Mary's." No matter what type of activity or social event you are planning, Judy is right there with some new ideas or to give a helping hand. She has helped with athletic activities and social events, but her specialty is dance decorations.

She will be remembered for her helpfulness and willingness to work on the Social Committee, Orientation Committee and especially by the Sophomore Class, who elected her their President this year.

Her personality, poise, imagination and leadership have made Judy popular not only with the students but with the faculty as well. Her efficiency and cheerfulness always makes the tasks so much easier and quicker.

Athletic

The Athletic Association is one of the largest organizations on our campus. This organization consists of every female student enrolled here. The main purposes of the A.A. are to administer athletic and recreational activities for women students, to establish leadership, to increase class spirit and loyalty toward the school, and to promote good sportsmanship.

Any member of the Association is eligble for the Board which is the governing body of the organization. The board consists of a president, vice-president, secretary, treasurer, activity managers, social chairman, class representatives, and ex-officio—the president of the Student Government Association. These members are elected by the entire female student body with the exception of the class represen-

Sports

Association

tatives wha are elected by the respective classes.

This active organization sponsars bath athletic and social activities. Archery, volleyball, basketball, badminton, softball, hackey, tennis, swimming, booting, dance, and cheerleading are affered through intramurals, clubs, varsity teams, all-star teams, sports days, invitational games, and recreational activities. The social activities consist af the Christmas prom, May Day, A.A. picnic, A.A. banquet, record haps, and other activities scheduled by the boord for any given date. Through the Athletic Association the varsity teams are given much suppart by the frequently scheduled pep rallies.

The Athletic Association is an active, hard- warking organization which gets its reward through the satisfactian of the participants in its activities.

CHEERLEADERS: Jan Valliant, Liz Shane, Georgeanne Groff, Ann Henderson, Sandy Barnes, Stu Wilkinson.

ATHLETIC ASSOCIATION: *First row (left to right)* Ann Hill Williams, Dannie Daeller, Dianna Dunham, Adele Hedges, Charlotte Janes, Sandy Osteen. *Second row* Ann Bean, Oakie Abrahams, Cary Black, Maggie Moffett, Virginia Ortt, Nancy Patterson. *Third row* Miss Stancil, Sponsor, Janet Spates, Frances Turner, Bernese Culhane, Ann Plummer, Penny Sides, Ann Hughes.

The varsity hockey team of 1960 was a tremendous success for St. Mary's. Under the skillful teaching of Miss Stancil, the girls learned the meaning of fair play, good spartsmanship, and many new skills which had been unknown to them before. Upon these fore mentioned traits the varsity team was chosen.

The girls put in an exceptional amount of time and energy for practice and it was all worthwhile. The school spirit which was gained from these practices and games will long be remembered and will be carried down through the years.

VOLLEYBALL ALL-STARS: Pat Pinta, Judy Rudy, Virginia Ortt, Ann Plummer, Susan Claggett, Miss Stancil, Sponsor, Okie Abrahams, Jan Valliant, Rose Marie Peacher, Bernese Culhane.

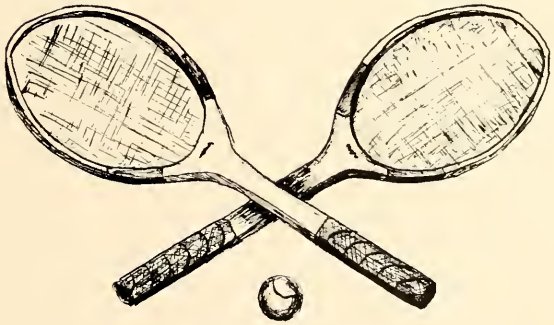
The Valleyball Intramurals gat aff ta a bang early in Navember. The student bady met in the gym smaker and selected three teams from each class. A round rabin taurnament was held cansisting af fifteen games. All in all these intramurals, which were wan by team 1, exhibited the much impraved school spirit and spartsmanship af St. Mary's Seminary Juniar Callege.

The Valleyball All-Star squad was selected by Miss Stancil. Ten autstanding girls were picked were chasen far the squad. These girls were picked far participatian, spartsmanship, and skill. The faculty-student game was held Navember 4. The faculty wan the game—hawever, the All-Stars played a great game.

WOMEN'S VARSITY BASKETBALL: Sandy Perdue, Bernese Culhane, Ann Plummer, Charlotte Jones, Susan Claggett, Adele Hedges, Jan Valliant, Joan Carver, Maggie Moffett, Pat Pinta, Ann Hughes, Rose Marie Peacher, Frances Turner, Okie Abrahams, Virginia Ortt, Miss Stancil, Sponsor.

All-Stars

This year St. Mary's had a varsity basketball team chasen from the intramural players. The girls were chosen far good sportsmonship, ability, attitude, willingness, and spirit. The first game was played at Notre Dame an February 16 at 4:30 in the afternoon. For the second game the girls left S. M. S. on March 3 and spent the night at Salisbury State Teachers Callege. The next day they played a game with the S. T. C. girls and then returned ta S. M. S. that afternoon. During the entire season the girls warked very hard practicing ta make their team a success, not only far themselves but for S. M. S.



VARSITY BASKETBALL

The theory for basketball which is held by our coach, Hank LaVoy, is simple: you win or lose, but you play to win. This year the team lived up to the theory to the best of its ability. By displaying good sportsmanship and true team spirit each member gave S.M.S-J.C. due reason for being proud of him, and each player started each game with the same idea and determination: that I'm going to win.

The students also have a theory: they are behind the team all the way. The team could feel confident of their support no matter what occurred on the court.

The team feels this way about the Basketball season of this year: win or lose the team played; win or lose the coach was with them; and win or lose they had the best support in the league.

MEN'S VARSITY BASKETBALL: John Roberts, Jerry House, Jim Garner, Ernie Bell, Jerry Vazanno, Mr. Levay, Coach, Mike VonDolsum, Terry Smith, Lloyd Norris, Ben Wieland, Hugh Wieland.

On the banks of blue St. Mary's—near Patomac's strand,
Stands our dear old Alma Mater—best school in the land!
Built of bricks from the first state hause—near the mulb'ry's shade
Where Lord Calvert with the Indians once a treaty made.
Like a beacon by the river, stands she grandly bold,
Giving knawledge to her daughters—warth more than pure gold,
Age and fire cannat destray her—(She has staad the test)—
We will always lave St. Mary's—she deserves aur best.
We will ever love St. Mary's—lave ta praise her name;
Strive ta make aur lives add luster ta her gloriaus fame.
Let your glad sang wake the echaes, sing with voices free—
Hail ta Thee, Dear Alma Mater! Hail, all hail, to Thee!
